CONTRACTING AUTHORITY'S CLARIFICATIONS No. 2

"Supply and installation of equipment for navigation monitoring system on the Danube River"

Publication ref: EuropeAid/138044/IH/SUP/RS

No.	Question	Answer
1.	Please confirm that the reference period stated in Contract notice under point 16. Selection criteria, for Professional capacity of tenderer is 3 years as foreseen in Item 4. Staff resources of Tender form (c4l_tenderform_en.doc) published, while the reference period of 5 years refers to Technical capacity only. If not, please clarify in details how to provide information about professional capacity of the tenderer.	As stated in the <i>Contract Notice, Article 16, 2) Professional capacity of tenderer</i> , the reference period which will be taken into account will be the last 5 years from submission deadline. In <i>c4l_tenderform_en.doc, Section 4, Staff resources</i> , Tenderers shall include two additional columns (<i>Two years before past year</i> and <i>Three years before past year</i>) and respective rows in the table, in order to provide the personnel statistics for the current year and the four previous years.
2.	For Item 3 – AIS AtoN white lantern – type 1, it is written: Technical specification requirements for light: • Red LED light source Please confirm that requirements for RED colour of light source is typing error, and that correct wording should be “White LED light source”. Otherwise, please clarify exact mode of providing red light by white lantern.	We confirm the typing error. In <i>c4f_annexiitechspeciitechoffer_en, Section 1.2., Technical specifications, Item number 3, AIS AtoN white lantern – type 1, Technical specification requirements for light</i> , instead of "Red LED light source" read "White LED light source".
