- 4.2 An electronic system will be used by the contracting authority and the contractor for all stages of implementation including, inter alia, management of the contract (amendments and administrative orders), reporting (including reporting on results) and payments. The contractor will be required to register in and use the appropriate electronic exchange system to allow for the e-management of the contract.

The electronic management of the contract through the aforementioned system may commence on the date on which implementation of the contract starts, as described in Article 18 below, or at a later date. In the latter case, the contracting authority will inform the contractor in writing that he will be required to use the electronic system for all communications within a maximum period of 3 months.

Article 7 Supply of documents

Any specific documents, other than those described in Article 11 of the Instruction to Tenderers, for submission by the Contractor to the Contracting Authority, are referred to in the Technical Specifications.

In order to facilitate the processing of the documents handed to the Ministry of Finance, Department for Contracting and Financing of EU Funded Programmes (CFCU), the Contractor shall also submit a electronic version of the documents. The electronic version shall be identical to the original (printed) version, however in case of any discrepancies between the electronic version and the original (printed version), the latter will prevail.

The digital versions of the documents can be submitted on a CD, USB or sent to the e-mail address specified under Article 4.1. The name of the Contractor as well as the contract number and title should be clearly indicated in the e-mail subject or on the CD or USB.

Article 8 Assistance with local regulations

The Contractor shall comply with all applicable national laws during performance of the Contract.

While the Contracting Authority agrees to use its contacts with the authorities where appropriate to assist the Contractor in obtaining the requisite permits or import licences, the prime and ultimate responsibility and the cost for obtaining of these permits and licences shall lie with the Contractor who shall keep the Contracting authority informed.

If the Contractor is late in applying for or fails to apply for such permits or licences then it may not claim for extensions in the Period of Implementation or additional costs as a result.

Article 9 General obligations

- 9.9 The Contractor is responsible for necessary measures to ensure the visibility of the European Union financing/co-financing. These activities must comply with the rules lay down in the Communication and Visibility Manual for EU External Actions published on the website of DG International Cooperation and Development: https://international-partnerships.ec.europa.eu/knowledge-hub/communicating-and-raising-eu-visibility-guidance-external-actions_en.

Article 10 Origin

- 10.1 All goods purchased must originate from an eligible source country (Member State of the European Union or a country covered by the IPA II programme). For these purposes, 'origin' means the place where the goods are mined, grown, produced or manufactured. The origin of the goods must be determined according to the EU Customs Code or to the relevant international agreement applicable.

Article 11 Performance guarantee

- 11.1 The amount of the performance guarantee shall be 10% of the total Contract price, including any amounts stipulated in addenda to the Contract.

Article 12 Liabilities and insurance

- 12.1(b) The Contractor shall insure the goods for their replacement value (110%) during delivery and commissioning. The insurance policy shall cover the risks during shipping and handling, storage, local transport, installation, covering losses due to traffic accidents, transport damage, theft, improper handling, fire, water, lightning, and professional malpractice, from the time of shipment (ex factory/warehouse) until the issuance of the Provisional Acceptance Certificate.

Article 13 Programme of implementation of tasks

- 13.2 The Contractor shall within 30 days from the date of contract signature by both parties submit an indicative programme of implementation of tasks for the information and eventual comments by the Project Manager and the Beneficiary. The programme should be presented in days from the commencement date. The Contractor is responsible to timely coordinate the deliveries and all other associated activities with the Beneficiary while keeping the Project Manager in copy of such communication for information purposes.

If the progress of the implementation of the tasks does not conform to the programme, in line with the Article 22 of the General Conditions, Project Manager may issue an administrative order requesting submission to the Contracting Authority of a revised programme by the Contractor within specified deadline.

Article 14 Contractor's drawings

- 14.1 All equipment must be supplied with the technical documentation requested in the Technical Specifications.

The Contracting Authority and the Beneficiary and their representatives or agents are hereby granted a worldwide, royalty-free, perpetual, irrevocable, freely assignable licence for them to use all proposals, specifications, drawings, plans, diagrams, manuals or similar deliverables drawn up and/or provided as part of this Contract. In particular and without limitation they may use the same for future repairs, maintenance, support, extension and they may publish the same in future tenders. Any moral intellectual property rights of the Contractor as regards a right to credit are hereby waived.

Any fittings and fittings or ancillaries or information that is required by the Beneficiary to prepare for proper acceptance, installation and commissioning of the equipment, position and capacity of utility supplies, any other preconditions for installation and operation, must be made available to the Project Manager and Beneficiary upon a request.

Article 15 Sufficiency of tender prices

- 15.1 Without prejudice to Article 15 of the General conditions, the goods to be supplied, as itemized and the overall prices, calculated on the basis of DDP include the full cost of delivery of the goods to the place of destination, packing, insurance, transportation, the full cost of clearance formalities, storage, unpacking, putting into operation, testing and inspection including all cost of consumables to make them ready for acceptance, any copy rights, or patent rights or license, warranty and training and training materials, if any, and manuals, fees, allowances, all kind of social charges, etc. of the staff and/or expert hired and assigned to service to be provided under this contract and any expenditure that such staff and/or expert will incur for execution of their activities during the operation, and excluding taxes and customs duties.

No price adjustment, which might occur as the result of a change in the price of labour, or any material components shall be applied, i.e. unit prices are fixed.

Article 16 Tax and customs arrangements

- 16.1 The European Commission and the Republic of Serbia have agreed in the Framework Agreement signed on 23/12/2014 to fully exonerate the following taxes: customs duties, import duties, taxes or fiscal charges in connection with import, value added tax, documentary stamp or registration duties or fiscal charges having an equivalent effect.

Article 18 Commencement order

- 18.1 The Contracting Authority shall inform the Contractor by administrative order of the date on which implementation of the tasks shall begin, which shall be issued by the Project Manager of the Contracting Authority within 90 days of the signature of the contract by both parties.

Article 19 Period of implementation of the tasks

- 19.1 The period of implementation of tasks shall be 270 days from the commencement date until the provisional acceptance.

Article 24 Quality of supplies

- 24.2 No preliminary technical acceptance is required.

Article 25 Inspection and testing

- 25.2 The supplies and the whole system shall be inspected and tested at the place of acceptance.

The Contractor shall deliver, install and commission all equipment, fittings and fixings, including final installation, configuration and connection and all miscellaneous items of equipment, fixings and fittings in order that the supplies are left in place fully operational and ready for use. The cost of consumables used during installation and commissioning and for running time, before provisional acceptance, shall be borne totally by the Contractor.

The inspection and testing of all equipment will be started and completed within a maximum 15 calendar days after delivery, installation and putting into service.

Article 26 General principles for payments

- 26.1 Payments shall be made in Euros.

Payments shall be authorised and made by Ministry of Finance, Department for Contracting and Financing of EU funded Programmes (CFCU), Sremska 3-5 St, 11000 Belgrade, Republic of Serbia.

In the case of indirect management ex ante procedures and where invoices are presented to the authorities of the country of the contracting authority, the Contractor must inform the European Commission at EU Delegation to the Republic of Serbia, Vladimira Popovica 40/V (Avenue 19a GTC Building), 11070 New Belgrade, Republic of Serbia, thereof by sending a copy of the correspondence.
