

Drawing No.	Drawings	Scale
0	Material balance sheme-RWMC Novi Sad 2030	
01.01.	Layout of the working zone - Existing state	1:1000
01.02.	Layout of the landfill zone - Existing state - Part 1	1:1000
01.03.	Layout of the landfill zone - Existing state - Part 2	1:1000
02.	Layout of the working zone - Existing roads	1:1000
03.	Layout - Construction phases	1:5000
04.01.	Layout - Facilities and roads - Part 1	1:1000
04.02.	Layout - Facilities and roads - Part 2	1:1000
04.03.	Layout - Facilities and roads - Part 3	1:1000
04.04.	Landfill - Cross section 1	1:1000/1000
04.05.	Landfill - Cross section 2	1:1000/1000
05.01.	Layout of working zone - Installations - Services - Phase 1	1:1000
05.02.	Layout of landfill zone - Installations - Services - Phase 1	1:1000
05.03.	Layout - Area for future extension of the landfill	1:1000
06.	Layout - Landscaping	1:2000
07.01.	Gatehouse	1:50
07.02.	Weighbridge house	1:50
07.03.	Canopy for Weighbridge	1:100
07.04.	Administrative building	1:100
07.05.	Building for workers	1:100
07.06.	Workshop	1:100
07.07.	Warehouse	1:100
07.08.	Vehicle washing – canopy	1:50
07.09.	Building for mechanical-biological waste treatment (MBT)	1:200
07.10.	Treated waste storage hall	1:100
07.11.	Garage for mechanization	1:100
07.12.	Storage halls for balled waste and secondary materials	1:50
07.13.	Wheel washing system	1:50
07.14.	Command building for LTP	1:100
07.15.	Canopy for landfill machinery	1:100
07.16.	Leachate Retention Tank	1:100
07.17.	Fire-fighting water reservoir	1:50
07.18.	Transformer Station	1:50
07.19.	Building for waste sorting - existing	1:200
07.20.	Culvert	1:50
08.01.	Layout - Plateau for construction & demolition waste	1:500
08.02.	Layout - Plateau for construction & demolition wasteWater supply and process wastewater	1:500
08.03.	Layout - Plateau for construction & demolition wasteElectrical power supply	1:500
08.04.	Layout - Plateau for construction & demolition wasteExternal lighting and earthing	1:500
08.05.	Layout - Recycling Yard	1:500
09.	Process wastewater and leachate - Hydraulic scheme	
10.	Wastewater pumping stations - Hydraulic scheme	
11.	Technical water pumping station with well - Hydraulic scheme	
12.	MACPRESSE SORTING LINE AND PRESS BALERS	
13.	Civil Drawings	
14.	Hydro Drawings
